SUBJECT: POLAND INTERESTED IN BIOTERRORISM EXERCISE IN  
SWITZERLAND

REF: STATE 84111

(SBU) MFA Deputy Director for Security Policy Marek Szczyglo said Poland was interested in participating in reftel bioterrorism conference in Montreaux next month. He was unsure whether he would be able to participate personally, but he will share the invitation information with MFA colleagues, as well as others in the GoP interagency community. Szczyglo thought Poland would participate and hoped to have firmer information by next week. He will contact the organizers directly with the GoP response.
